

- **STRUCTURAL LIFETIME WARRANTY**

Art's Pool warrant to the original owner that the pool Shell will remain sound for as long as they own their pool. Structurally sound is defined as:

Maintaining the structural integrity of the concrete pool shell so as to withstand all the loads without cracking and causing water loss. Should the shell be determined not to be structurally sound.

Art's Pools will at no cost to the original owner, perform repairs necessary to restore its structural integrity and water holding ability.

The term "structurally sound" therefore does not extend to cover items external to the pool, such as tile, plaster, plumbing, electricity, filter, and heater.

Decking or pool accessories.
